**Reservations** for camping are not necessary, but, it would help us to plan out the parking so an email to: [leslie@arizonabluegrass.com](mailto:leslie@arizonabluegrass.com) or call: 602.565.3285 would be really appreciated!

**Rain or Shine** the camping will happen—in our years of having our camp-out we have had all kinds of weather, fortunately the great weather far out weighs the not so great. When the weather was bad—gotta tell you—it was banjo players that sat outside in the rain and played....We do have a covered Ramada in our area.... :) FUN!

### *Nice Hike to the falls*
